**OREGON SECRETARY OF STATE
REPORT ON EXPENDITURE OF TITLE II, SECTION 251 FUNDS
OCTOBER 2004 THROUGH SEPTEMBER 2005**

As requested by the U.S Election Assistance Commission, listed below is a detailed list of expenditures and a description of the related activities conducted by the Oregon Secretary of State utilizing Help America Vote Act (HAVA) Title II, Section 251 funds during the period from October 1, 2004 through September 30, 2005.

STATEWIDE VOTER REGISTRATION LIST - \$4.1 Million

In complying with requirements of Title III, Section 303 of the Help America Vote Act, Title II Funds were utilized to move forward with the development, procurement and the implementation of a Centralized Voter Registration System (OCVR). In compliance with HAVA and as stated in the Oregon Election Plan, we established a single statewide voter registration database with integrated election management capabilities available for all 36 counties and the Secretary of State's office and designed around Oregon's unique vote by mail election requirements. Oregon's Saber Consulting was hired to develop and implement the Central Voter Registration System and the implementation proceeded as scheduled. Our allocated budget for OCVR is \$17,500.00. Oregon applied to the Office of Election Administration for a waiver, extending our state's compliance date to January 1, 2006.

Reference to the statewide voter registration system can be found in the HAVA State Plan on pages 21-22 and on pages 41 and 43.

ELECTIONS ADMINISTRATION - \$848,909

Oregon hired a total of seven (7) employees to manage the implementation of HAVA and OCVR. These seven employees work with a series of committees representing election officials and public members representing community organizations concerned with voter participation. Title II funds utilized for this reporting period are \$618,625.

Associated operational costs for HAVA include rent, postage, telecommunication, office supplies, data processing supplies, PC Hardware, and legal fees. Title II funds utilized for this reporting period are \$74,475.

Reference to HAVA and Plan Management and oversight can be found in the HAVA State Plan on page 44.

An additional program that improved the administration of elections for Federal office were the changes and re-design of our voter registration forms because of the new identification requirements for voters who register by mail and who have not previously voted in an election for federal office. These changes required us to update and re-design all our voter education materials. Both voter registration forms and voter education

materials were provided in both English and Spanish. Title II funds utilized for this reporting period are \$155,809.

Reference to voter identification requirements can be found in the HAVA State Plan on page 22.

PROVISIONAL VOTING - \$29,679

In March 2004, Oregon implemented 1.866.ORE.VOTES/673.8683. This is a toll-free telephone hotline that voters may use to report possible voting fraud and voting rights violations, check the outcome of their provisional ballot, to obtain general election information, and to access detailed automated information on their own voter registration status, specified drop-site locations, and other relevant information. The toll-free line is available Monday-Friday from 8:00 AM – 5:00 PM with representatives providing services in both English and Spanish. TTY services for the hearing impaired are also available at 1-866-350-0596. Voters can also be connected to their County Elections office or to the Secretary of State's Elections Division. Title II funds utilized for this reporting period are \$29,679.

Reference to a Toll-Free Line can be found in the HAVA State Plan on page 18.

VOTER EDUCATION - \$132,408

In educating voters concerning voting procedures, voting rights, and voting technology, Oregon contracted with King Broadcasting to provide a three phase comprehensive media program in both English and Spanish that served as a Secretary Of State Public Information Campaign to Oregon's voting public for the Help America Vote Act during the '04 General Election. Total Public Service Announcement's for television and radio provided under this contract from September 1 – November 2, 2004 was 3,019 and covered approximately 98% of all Oregonians. Title II funds utilized for this reporting period are \$119,028.

An additional program that educated voters concerning voting procedures using technology was the Audio Voters' Pamphlet (AVP) Project for the 2004 General Election. In an attempt to provide greater accessibility to both informational and educational materials related to elections, the Secretary of State, Elections Division produced several versions of an Audio Voters' Pamphlet (AVP) for the 2004 General Election. This was accomplished through a sole source contract with Independent Living Resources (ILR) of Portland. The following versions were utilized: CD version, 2-track cassette tape version, Streaming audio version accessible on the Internet, and MP3 version available for download from the Internet (allowing the user to create their own CD's). The goal was to have ILR produce and distribute at least 700 AVP's throughout the state. While this number was not attained, the AVP was distributed to the largest audience since its' inception. There were 481 requests to the ILR for the AVP. The AVP was distributed in the following numbers with the corresponding formats: CD AVP – 61 Fulfilled requests, 2-Track cassette AVP – 420 Fulfilled requests, Streaming AVP on the SOS web site – Unknown, and Number of MP3 downloads of AVP sound files – Unknown.
